

## HOW TO REACH ÇANAKKALE

Unfortunately Çanakkale airport is under maintenance. You can reach Istanbul and take bus to Çanakkale from Istanbul.

There are two airports in Istanbul. One is **Atatürk Airport (IST)**. When you leave customs gate, follow metro signs (It is on your right side). When you reach metro, buy metro ticket (You need Turkish Currency. You need TL 2 or 2.5 roughly equals € 1). Get off at coach station. Leave metro station. You will see many coach companies. Choose one of them: Truva, Kamil Koç, İstanbul Seyahat or Metro (This is a bus company name also). It costs TL 50 per person (roughly € 20). Our busses are comfortable, they serve snack and refreshments. You can ask water always when the bus is on duty. When you give your luggage to the bus driver, tell him you will get off at **Çanakkale Iskele**. We will pick you from this place.

One bus trip from Istanbul to Çanakkale and a return trip from Çanakkale to Istanbul can be arranged if there are enough participants who arrive and depart on the same day and time.

**Please send your flight information to the organizers ([ahuludag@yahoo.com](mailto:ahuludag@yahoo.com)).**

An information about the travel from the other airport in Istanbul, **Sabiha Gokcen (SAW)**, will be added soon.
